giraffe

- The giraffe is an African even-toed ungulate mammal, the tallest living terrestrial animal and the largest ruminant. Its species name refers to its camel-like shape and its leopard-like coloring.
- Gi-raffe
- late 16th century: from French girafe, Italian giraffa, or Spanish and Portuguese girafa, based on Arabic zarāfa . The animal was known in Europe in the medieval period, and isolated instances of names for it based on the Arabic are recorded in Middle English, when it was commonly called the camelopard.
